

The background is a dark navy blue space scene. It features various celestial elements: a large blue planet with horizontal stripes in the upper left; a pink and blue rocket ship with a white trail in the upper right; a large dark blue planet with craters in the lower left; and a large blue planet with diagonal stripes in the bottom right corner. Scattered throughout are white and yellow stars, small white circles, and stylized white and blue comets. The text is centered in a white, flowing script font.

Nothing
is impossible.

The word itself says
I'm Possible.
